Follow All Directions...

From the M6, Congleton, Newcastle, Alsager direction:

From the Newcastle Road traffic lights follow the by-pass to Crewe. At the first roundabout take the 2nd exit to Middlewich; at the 2nd roundabout take the first exit to Crewe.

Follow All Directions...

From All Directions:

Sandbach School is 200m on the right.

Please note:

1. The school site operates a **5mph speed limit**.
2. There are give way markings on the 'corner' by the tennis courts.
3. Do not park in the 'no parking' yellow zone by the pool as this blocks the way for pedestrians and also emergency vehicles.
4. Please observe any directions from any member of school staff at all times.
5. There is an 'in' and 'out' entrance and exit points next to the yellow bollards as you enter the side car park.
6. Disabled parking bays are found near to the pool – only disabled badge holders will be allowed to park here.

Please park carefully either in front of the school buildings in the main car park or near the pool. The pool is to the left of the school buildings and to the right of the all weather pitches. Enter the left of the building via the signposted entrance to the pool spectator area.

Please close the door behind you and remove your shoes here (there is a shoe rack against the wall at the far end)

Please observe carefully all safety notices and the instructions from the lead teachers poolside who take the registers from the spectator area. All spectators must remain in the pool spectator area or in the changing rooms.

The changing rooms are accessed from poolside. You may leave with your child directly from the changing rooms at the end of their session (for warmth and security please close the door behind you).
