

## Directions to Cloudside Junior School Pool

Stanton Road, , Nottingham, NG10 5DE

Take the A52 from Nottingham towards Derby. Exit at the slip road marked Sandiacre and M1 which is just passed the Bardills garden centre roundabout. Take the right hand exit at the roundabout signed to Sandiacre. At the T junction go straight on signed to Stanton by Dale only – do not turn right at this junction even though it is signed to Sandiacre. Follow this road for about a minute until you come to a right hand turn signed to Sandiacre. This is Stanton Road and once you have entered into Sandiacre , and passed the Spa shop on your right, Cloudside Junior School is directly on your right. **Do not park in the school car park** but park either on the roadside outside the school or there is a free public car park (St Giles) just passed the school on the left.

Once you have parked your car please enter through the staff car park and on the left hand side you will see the pool building and a wooden gate. Go through the gate and enter the pool building where you will find the poolside assistant who will be and happy to answer any of your questions on arrival and show you where you can get changed

Please note the pool has a stone floor and very small changing rooms so a changing mat will be essential for your baby.
