

Swimming at Wirksworth Swimming Pool from September

We are so excited to welcome you back to the pool. As with many things in life, there are some new procedures that you need to be aware of at the venue. This document summarises all of those changes. If you would like to read about what we are doing to keep you, your child and our team safe, please read this <https://www.puddleducks.com/media/9690/faqs-regarding-the-restart-of-puddle-ducks-lessons-from-september-2020-in-relation-to-covid-19.pdf> which includes our risk assessment procedure, cleaning and hygiene regimes regarding the venue and the equipment we use, as well as temporary changes to the way our lessons will be run.

Arrival time

Please do not arrive any earlier than 10 minutes before your lesson starts. This should give you enough time to get poolside and prevents lots of people from waiting around in spaces which may be too small to handle it in the current situation.

Spectators

Spectators won't be allowed poolside I am afraid, however if you have siblings swimming in back to back classes you can sit poolside

If you require assistance due to a disability (either your own disability or your child's), then you are able to bring a spectator to help as necessary.

By not allowing spectators, we are able to practice social distancing more effectively.
