

Swimming at Everlast Fitness (Wrexham) from November 2020

We are so excited to welcome you back to the pool. As with many things in life, there are some new procedures that you need to be aware of at your chosen venue. You will find everything you need to know about Everlast Fitness below – please read it very carefully.

If you would also like to read about what, as your chosen swim school, Puddle Ducks is doing to keep you, your child and our team members safe, we have summarised all the steps we are taking including our risk assessment procedure, cleaning and hygiene regimes and temporary changes to the way our lessons will be run on our website.

Arrival time

Please do not arrive any earlier than 10 minutes before your lesson starts. This should give you enough time to get poolside and prevents lots of people from waiting around in spaces which may be too small to handle in the current situation.

Arriving swim-ready

Wherever possible, you and your child should arrive swim-ready at the venue i.e. with your swimming costume/trunks/swim nappy on underneath your clothes. This is to minimise the time spent in the changing area.

We appreciate that those children still in nappies might need a nappy change just before their lessons. Please take a change mat to the changing area with you and make sure you have nappy bags and another bag in which to put the nappy bag to ensure there is no waste left visible in the changing area.

We advise that you all bring a change mat that can be rolled up and placed in your bag, especially those of you who have little ones who would normally use a change table or a bench.

Spectators

Due to the limited space poolside, and to enable us to practice social distancing more effectively, spectators are not allowed. Only 1 adult should accompany their child to the pool.

If you require assistance due to a disability (either your own disability or your child's), then you are able to bring a spectator to help as necessary.

Parking at the venue

Parking is in the main car park as usual, please adhere to social distancing in the car park.

Entering the building

Enter the building through the main reception area adhering to social distancing at all times. All customers will need to have their temperature checked at reception and are to use the hand sanitiser provided.

You will be asked to scan the NHS Track & Trace QR code upon arrival. If you are unable to do so then you will be asked to manually provide your details to reception and you may incur a short delay when entering the pool if the reception desk is busy.

As per current Government guidelines, facemasks need to be worn inside the building at all times but are not required in the pool.

Signing in/Letting us know you are here

Our teacher will greet you poolside and will take the register as normal before the lessons. The teacher will remain poolside when teaching.

Changing rooms

Puddle Ducks customers are permitted to use the gym changing rooms but must aim to change as quickly as possible. All belongings must be packed away into a single bag and placed in the lockers.

Toilets/showers

Toilets are available within the changing rooms. Puddle Ducks customers are not permitted to use the changing room showers and must shower at home.

Entering the pool area

Please wash your hands before entering the pool area. In some cases, it might be using hand sanitiser instead of soap and water.

Please walk around the pool in a clockwise direction.

Please wait poolside, keeping socially distant from other customers and pool users wherever possible, until the teacher indicates it is time for you to enter the pool.

Exiting the pool area after your lesson

After the lessons please proceed to the changing rooms, exiting in a clockwise direction. We advise that you bring easy, comfortable clothing for both you and your child – items like onesies might be easiest for children to get changed quickly and keep them warm.

Leaving the building

When you are ready to leave the building, please wash your hands or use the hand sanitiser provided and make your way to your car/mode of transport via the gym reception.
