

Instructions

1. Cut out the two strips below along the thin dotted lines
2. Stick the strips to some Cardboard to make it more sturdy. Old cereal boxes always work well!
3. Use glue to stick the ends together to make the headband. You might need to adjust where you stick depending on the size of your little one's head
4. Cut out either Puddle or his Sister depending who your little one wants to be!
5. Stick your Puddle Duck to the front of the headband
6. Let everything dry
7. Pop it on your little one's head and have fun being Puddle!
