

Swimming at Stonar School from September 2021

This document explains what moving to Step 4 of the Government Roadmap means for your swimming lessons from September 2021. You can be assured that, along with our governing body, STA, we will continue to put your safety and the safety of our teams as our top priority.

Arriving at the pool and changing

- Please arrive no more than 10 minutes before the start of your lesson, and be poolside ready for the start of your lesson.
- **Baby and pre-school:** changing rooms will be available before and after your lesson. Customers are encouraged to arrive swim-ready, if possible, in order to minimise time spent in an enclosed space with others.
- **Swim Academy:** children should arrive swim-ready and undress at the shallow end of the pool. Note that adults are no longer permitted to be in the water with Swim Academy children, and must leave the pool hall once their child's lesson begins. After lessons, the changing room will be available.
- Showers will be available and are encouraged before and after your lesson.

Spectators

- No spectators will be permitted poolside but are welcome to watch through the windows, outside.
- Two parent spotters are required for each Swim Academy class, who will sit poolside during the lessons. The parents will be different each week and arranged by the teacher. Please check if your name is highlighted on the register when you arrive.
- All parents will be given the chance to be poolside, however if you'd prefer not to be a parent spotter, please let your teacher know.
- If you are not a parent spotter, you must leave the pool hall once your child's lesson starts but remain nearby on the premises, so that the parent spotter can quickly get you if your child needs the toilet or has a 'wobble' in the pool. Please ensure your child visits the WC before their class.
- If you require assistance due to a disability (either your own disability or your child's), then you are able to bring a spectator to any class, to help as necessary.

Poolside Assistants

- A Poolside Assistant will be present at Stonar School to assist customers and to clean equipment, changing rooms and touch points in high traffic areas. They will also be registering your arrival.

Face coverings

- We recommend that customers wear face coverings inside the venue, but not in the pool, unless they are medically exempt. Our team members will still wear face coverings as they move around the building.

Hand washing

- Please continue to wash your hands before entering the pool area. At some venues this may be with hand sanitiser instead of soap and water.
