

Swimming at Apex City of Bath Hotel from January 2022

This document explains what moving to Step 4 of the Government Roadmap means for your swimming lessons. You can be assured that, along with our governing body, STA, we will continue to put your safety and the safety of our teams as our top priority.

Face coverings

- We strongly recommend that customers wear face coverings inside the venue, but not in the pool, unless they are medically exempt. Our team members will still wear face coverings as they move around the building.

Arriving at the pool and changing

- Male and female changing rooms are available and adults are encouraged to arrive swim-ready, in order to minimise time spent in an enclosed space with others.
- Please arrive no more than 10 minutes before the start of your lesson.
- Please store your belongings in one of the lockers provided. A £1 coin is required for this.
- Once you are ready for your lesson, please enter the pool hall a few minutes before your class begins and wait to one side as indicated by the teacher, making room for the previous class to exit the pool and return to the changing rooms.

Spectators

- No spectators are permitted.
- If you require assistance due to a disability (either your own disability or your child's), then you are able to bring a spectator poolside to help as necessary.

Hand washing

- Please continue to wash your hands before entering the pool area. Basins with Elemis soap and handwash are available in the changing rooms.
