

Swimming with Puddle Ducks Worcestershire (Feckenham) CAR PARKING ROTA

Parking at the venue

The car parking rota for the classes at Feckenham will be in place and must be adhered too. Please see rota below instructing you where to park for your lesson.

This is a private house so we do ask that customers respect the grounds and do not bring dogs onto site as there are dogs within the house and this can cause them distress.

Please do not park on the main road, this is a fast main road and pulling up on the road can cause issues with the traffic coming into and going through the village.

CARS MUST PULL RIGHT UP TO THE CAR THEY ARE BLOCKING IN TO ENSURE ALL CARS CAN GET ON THE DRIVE

CAR PARKING ROTA – Please drive into driveway and reverse into the space by the house before exiting the driveway
